Fire, noise and crisis proof

Nata nel 2002, GP Porte è un'azienda giovane e dinamica che opera nel settore della produzione e del commercio di porte in laminato, legno e vetro. Con sede a Torano Castello Scalo, in provincia di Cosenza, si sviluppa su un'area di 7.000 mq, tra laboratori di produzione e show room. Un mix di tradizione e innovazione per realizzare prodotti, interamente italiani, che vanno dal classico al moderno, con soluzioni sempre più all'avanguardia. Ogni singolo passaggio di produzione viene seguito con attenzione dal team aziendale, capace di andare oltre gli standard e di trasformare un'idea in un prodotto totalmente personalizzato fin nei minimi dettagli.

GP Porte, established in 2002, is a young and dynamic company working in the manufacture and trade of laminate, wood and glass doors. The company is based in Torano Castello Scalo, in the province of Cosenza and its premises stretch over an area of 7,000 sq. meters that encompasses production units and a show room area. The company relies on a mix of tradition and innovation and manufactures entirely Italian products ranging from classical style to modern doors with increasingly up-to-date solutions. Each manufacturing step is carefully checked by the company team, who strives to go beyond the standards and transform an idea into a totally tailor-made product.

Née en 2002, GP PORTES est une entreprise jeune et dynamique dédiée à la fabrication et la commercialisation de portes en mélaminé, bois et verre. Elle est implantée à Torano Castello (en Calabre, province de Cosenza), sur un site de 7000 m2 entre laboratoires de production et salle d'exposition. Implantée à Torano Castello (en Calabre, province de Cosenza), GP Portes conçoit, construit et vend des portes en bois, mélaminé et verre. Ouvrir avec style, c'est notre invitation à connaître des portes uniques et résistantes, pour personnaliser votre espace quotidien. Nos nombreuses lignes ont été étudiées pour satisfaire tous les goûts, même les plus exigeants. Vous aurez le choix entre une vaste gamme de portes ou vous pourrez les adapter à vos besoins selon les mesures, formes, couleurs ou décorations désirées. Nos portes sont réalisées avec des matériaux et des finitions de haute qualité. À notre travail artisanal s'accompagnent des technologies innovantes qui sont indispensables pour obtenir des résultats précis et de la plus haute qualité.
